No.	First and FAMILY NAME	Affiliation	E-mail

The authors confirm that (check the boxes):

- The corresponding author is empowered by all authors to act on their behalf with respect of the submission of the manuscript.
- All authors have participated sufficiently in this paper to take public responsibility for its content.
- Neither this manuscript nor a manuscript with similar content or research under my/our authorship has been published in any language or was sent for publication elsewhere (excepting as an abstract or as part of a published lecture or thesis which were above acknowledge).
- The corresponding authors have informed the editor (in the manuscript or in additional letter) of any commercial association that might pose a conflict of interest.
- The manuscript did not contain no materials that would violate the copyright or any other rights of any person or institution.
- You agree to publish your manuscript under CC BY license. **Applied Medical Informatics** applies the Creative Commons Attribution (CC BY) license to all published manuscripts. CC BY license means that the authors retain ownership of the copyright for their content, but they allow anyone to download, reuse, reprint, modify, distribute and/or copy the content as long as the original authors and source are properly cited.
